

TRACK 4: CORE COMPETENCIES NEXT STEPS

ELECTIVE: DEVELOPING AND MANAGING A TOP-NOTCH NONPROFIT ORGANIZATION

by Dr. Betty Glover Palmer

Lesson 1: Developing a Solid Infrastructure

1. Watch the video from Dr. Betty Glover Palmer entitled, "Developing a Solid Infrastructure."

Completed:

2. Reflect back on the issue or need you identified in the first exercise in this lesson. How would you begin to formally address it? Write a mission and vision statement, along with core values for the organization.

Mission:

Vision:

Core Values:

3. If you think that a collaborative partnership would be more expedient, what kind of organizations would you look for? How would the partnership work? What would be the benefits to each organization and the community?

When you've completed the assignment, save this PDF and email it to your coach.
