“Don’t Settle”

1. We will have to fight through the **Worst** days of our lives to qualify for the **Best** days of our lives.
2. Our past **Mistakes** are meant to **Guide** us, but never to **Define** us.
3. Sometimes, the focus can’t be on what you **Lost**, but what you have **Left**.
4. Whenever we are down to **Nothing**, God is up to **Something**.
5. Holding back tears is not always a sign of **Strength**, but the ability to carry on, in **Spite** of them is.
6. The greatest **Accomplishments** in history were accomplished by weary, disappointed, and hurting people who just wouldn’t **Quit**.
7. The most **Heartbreaking** thing about betrayal is it can never come from your enemies, only your **Friends**.
8. God will give you what it **Takes**, but sometimes, it takes everything you **Got**.
9. If you are going through hell, make sure you keep **Going**. -Winston Churchill
10. The person who said **Winning** doesn’t matter, never won anything for **God**.
11. Then we **Win**.
12. A man can love **Two** women, but only until one of them **Understands** what is going on.
13. When you accept the fact that your new **Identity** in Christ is an overcomer, you will never settle for anything less than a **Miracle**.
